(for qualified individuals)

Don't stress over your 2010 tax preparation. Let us help! Every Saturday during the month of February MCFCU will have certified tax preparers on hand to assist with filing your taxes. All returns are prepared electronically, so members taking advantage of the service will receive their refunds in half the time of returns filed on paper - even faster if you have your refund deposited directly into your account. Some restrictions do apply and appointments are required. Call 687-8454 today and make an appointment.
